

The Perfect Solution for your afternoon slump.

Energy bar made from real coffee, designed for people on-the-go.

One Bar = One Strong Coffee

Made from all-natural, organic, non-GMO, gluten-free, and soy-free ingredients.

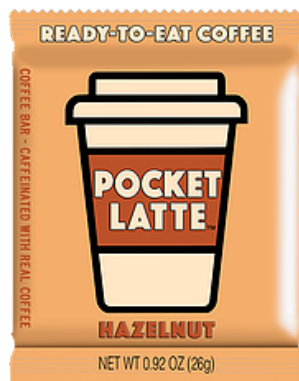

Vegan-friendly

No artificial sweeteners, colors, flavors, or preservatives

No synthetic caffeine powder

Five simple ingredients that are easy to pronounce

Proudly made in the USA

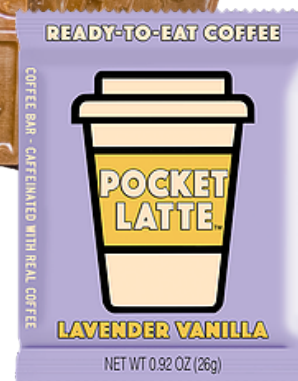

Light coffee taste with a soothing hazelnut scent, blended with chunks of roasted hazelnuts for a perfect balance.

"Dark Roast" flavor has the deep and rich essence of true coffee, mixed with crunchy bits of 100% organic coffee beans.

"Cream + Sugar" flavor combines everything you love about coffee, while keeping a silky smooth finish on your taste buds.

French vanilla coffee softened with organic lavender flowers and mixed with crunchy bits of light coffee beans
