Kuze Fuku & Sons Organic Fruit Vinegar Drinks are made using organic ingredients and are produced at our USDA Organic-certified facility. Each variety is a balanced product with a refreshing taste and the fresh aroma of fruit, combined with the slight tanginess of vinegar.

This delicious blend of Yuzu citrus and miso will add a savory flavor to your salad, or as a delightful ingredient in your favorite recipes.

Banno means all-purpose in Japanese, and this popular soup broth from Japan is named this way for how much it accentuates the umami flavor found in its carefully selected ingredients. Used simply as a soup broth, or as a seasoning in other dishes such as steak or pasta, Banno Dashi adds a rich, savory flavor to your favorite recipe.

Crafted with farmers' care using Oregon-harvested blueberries, this delicious compote is perfect atop pancakes, mixed into yogurt, or as a dessert.
